Reports of Committees

Breeders' Education Committee: Bonnie reported that Deb Tousey would like the Board

to reconsider its decision not to allow non FaceBook members to use a joint account to enable them to participate on the Breeders' forum FaceBook page. After more discussion, the Board members remain firm in their original decision.

2018 National: Donna Smith reported that hotel reservations are now moving smoothly. Their premium list composition is ahead of schedule

2019 National: Anita reported that the obedience chair is in place and the club is working on finalizing an agility site.

2020 National: Bonnie reported that the Capital Keeshond Club has realized that, according to its current bylaws, the manner of the vote to host the National was incorrect and, hence, is invalid and another vote is scheduled to take place in February. The National Co-ordinating Committee, based upon information from CKC's National Show Committee Chairperson, Gregg Berman, recommended that CKC be released as host and appoint this National Show Committee to plan and manage the 2020 National as both a KCA hosted Regional and National Show. Lois made a motion that KCA notify CKC that since its vote to host the National is invalid, per its bylaws, KCA will release CKC from its agreement to vote and appoint its National Show committee to continue the planning and management of the 2020 National week as a KCA hosted Regional and National Specialty. Marty seconded the motion. The motion was passed.

**** Due to a variety of circumstances, Capital Keeshond Club will not be hosting the 2020 KCA National. The 85th National Specialty and the associated Regional specialty will be hosted by KCA.*

The working show committee will consist of Capital and other KCA members, who have already completed much of the groundwork for siting and planning the show.

Unfinished Business

Website: Mary Ellen will set up a conference call with Bill, Alecia Novak, Kellie Siekiershki and herself ASAP to get them working towards a March launch.

Historian/Archivist: Mary Ellen expects to inventory boxes before the 2018 National and notify Board members of contents.

Mae's books: Lois Waddell has Mae's books and will deliver them to Dave Leiker at 2018 National.

Ways to increase regional club satisfaction with KCA: Jen will review letter from CKC with Elizabeth to address issues brought up in CKC letter.

Junior mentorship program:
Lois and Anita will contact Kimberly Smith about her Facebook post.

Ways to address non-members' ethics issues with member breeders: The previously noted non-KCA member continues to have problems with her PHPT positive female purchased from a KCA member. The Board agreed that the KCA member should be questioned about this matter in a letter from the Board.

New Business

Keeshond registration issue: Mark Dunn from AKC has sent more information concerning breed registration numbers. Both this and his previously sent information will be included in a future CSR or separate MailChimp.

KARMA: Dee Wingfield asked that KARMA be included on the KCA membership list. Since there is no procedure in the Policy Manual to add a non-affiliated club, Lois made a motion to add a procedure to approve adding a non-affiliated club to the KCA Membership List.

Meet the Breeds:
Rick Su asked for money to buy KCA shirts for volunteers for the "Meet the Breeds" booth at the Westminster show. Lois made a motion to allot Rick \$350 for the purchase of KCA polo shirts for his volunteers. Terry seconded the motion. The motion was passed.

Dazzling Paws: This jewelry company would like photos of dogs for potential jewelry designs. Anita will include this request along with the Diabetes MailChimp.

Kellie made a motion to host a KCA all-breed agility trial on July 4, 2018 in Lewisville, PA with proceeds to go to KCA. Terri seconded the motion. The motion was passed.

Mary Ellen made a motion that we table this discussion until we have our March in-person when we can discuss possible avenues for fund-raising and appoint a committee to study this. Marty seconded the motion. The motion was passed.

CHF Report: The Canine Health Foundation has submitted its Year End 2017 Financial

Awards /trophy fund

Situation: The Keeshond Club of America trophy fund has run at a deficit for many years. In effect, the general fund has been covering the deficits. However, the general fund has been running at an operating deficit for several years also (this means there is a positive ending balance each year but each year it is less than the previous year). If it weren't for the Wanda Smith bequest received in fiscal year ended 6/30/11, the combination of the trophy fund and the general fund balances would be below zero. The combined total of the two funds was \$172,307 at 6/30/11 and was \$122,486 at 8/31/17, an operating deficit of over \$8,000/year. Continuing at that rate, KCA will only exist 15 more years before going broke.

Background: The current policy reads: The Award fund to which a member may contribute when dues are paid purchases awards for KCA. Members may also contribute to the award/trophy fund at any time during the year. Trophies for member Club Specialties (Best of Breed) are also purchased from this fund, as are KCA Awards for Best of Breed, Best of Opposite Sex to Best of Breed, and High in Trial for the National Specialty. Effective: 1977 The current practice is that the following items are purchased out of the Fund:

- The following awards for regional and national specialties (at approx.\$1,500/year in the past):
 - KCA medallion for Best of Breed o KCA medallion for High in Trial
 - KCA medallion for Best Opposite Sex (at national specialty only)
 - Nan Greenwood medallion for 1st place in Bred by Exhibitor classes
 - Wanda Smith Memorial award to breeder of Best of Breed (at national specialty only)
- The following annual KCA member

awards (at approx. \$550/year in the past, will be nearly double this amount this year):

- Top Winning Member-Owned Show Dog o
- Top Winning Member-Owned Show Bitch -
- Member-Owned Top Keeshond
- Member-Owned Top Keeshond Opposite Sex
 - Highest Tanking Member-Owned Keeshond in Obedience
 - Highest Ranking Member-Owned Keeshond in Obedience that is also an AKC Champion of record
 - Highest Ranking Member-Owned Keeshond in Agility
 - Highest Ranking Member-Owned Keeshond in Agility that is also an AKC Champion of record
 - Best Junior Handler
- MACH Molly award (at approx. \$200/year)
- Medals of achievement (new title medallions) (at approx. \$350/year)
- Awards of Distinction
- Award Plaques
- Legacy Member Awards.

Expenditures have ranged from a low of \$817 in fiscal year ended 8/31/17 to a high of \$4,625 in fiscal year ended 6/30/16 (variation is due to the fact that the new title medallions and the BOB/HIT/BOS medallions are purchased in bulk every few years), with an average expenditure of \$2,531 over the fiscal years ended 6/30/10 through 8/31/17. The average annual deficit is \$903. I suspect that in years prior, funds were transferred from the general fund to the trophy fund each year to bring the trophy fund's balance to zero.

An analysis of this year's dues payments and donations:

The *health fund* does have the highest average donation of \$15.09 per member

donating. *Only 31% of the membership donated to the Health fund.*

Donations to the *award fund* have an average donation of \$15.85. *Only 28% of the members donate to the Award fund.*

We are all happy to get the medallion in the mail when we finish a title, win a Nan Greenwood medallion from the BBX class or BOB at a regional specialty, or win a top award at the end of the year. *Consider paying it forward to celebrate an award or win* – be it an agility or rally title or your dog’s Grand Championship. If these awards are to continue they need your financial support.

Please remember to donate to rescue and MAPP (add explanation of MAPP).

Donations are accepted at any time of the year, not just when the dues notice is sent out.

Dr. Stephen Cai is again humbly asking for your help with Dr. Hess and his research project at the University of Pennsylvania veterinary school. They need many thousands of dog owners to complete our short 5 minute online survey (details included in the link) at:

<https://www.vet.upenn.edu/veterinary-hospitals/ryan-veterinary-hospital/services/internal-medicine/diabetes-program>

Any and **ALL** dog owners can complete the survey, regardless of health status and whether the dog has diabetes.

Posting and sharing our link on social media is strongly encouraged to reach the general dog owner population (**and Keeshonden across America!**). We have been fortunate enough to receive support from the AKC and several other breed clubs across the country, whom are promoting the survey to their members and on their websites. Every dog is valuable to this study and your assistance would be immensely appreciated by us (and dogs alike!). Please let me know if you can help. I look forward to hearing back - thank you very much!

- Dr. Stephen Cai and Dr. Rebecka Hess

Nominate a member for outstanding service, dedication to purebred Keeshonden and/or exceptional efforts. **Please send a letter to Anita Williams** williams3036@comcast.net **By April 2, 2018** Awards will be presented at the Annual Banquet.
